Ms. Khan / Ms. Glazer:

Attached please find summonses for a trial on April 28, 2011. I will only need one of you to appear to testify, if it actually goes to trial. As usually, you don't have to come in during the morning. If the case looks like it will definitely go I'll give you a call.

I was wondering if the lab notes are available, and if so when I could get a copy of them. The trial date is pretty far out, so I won't need them until early April. Thanks.
